(Taken from the Files of The Evening Farmer)

ONE HUNDRED YEARS AGO | gine was short and faint; the train DECREES OF KING LOUIS. Paris, July 25th, 1815.

PROSCRIPTION, LOUIS, by the Grace of God, King moment of the collision; but the enof France and Navarre.

To all persons to whom these presents shall come, Greeting. that several members of the House of Peers have accepted seats in a pretended House of Peers, named teams, and assembled by the man who had In usurped the power of our states, from the 20th of March until our return to the kingdom. It, is beyond a doubt that the Peers of France, since they have not yet been made hereditary, might and may give in their disary, might and may give in their presignation, leasured as they have not yet been made hereditary, might and may give in their promise of good service.

AND VACCINATION resignation, insamuch as they there-by dispose of advantages which are ONE MORE OF THE MURDERED.

It is equally evident that the ac of functions incompatible with the dignity with which they are nvested, supposes and is necessarily followed by the restriction of that dignity, and consequently the Peers who are in the situation above mentioned, have really abdicated their rank, and have in fact resigned the Peerage of France, and are no longer part of the House of Peers.

It is equally evident that the acceptance of functions incompatible with the dignity with which they are invested, supposes and is necessarily followed by the resignation of that dignity and consequently the Peers the are in the situation above mentioned, have really abdicated their rank, and have in fact resigned the Peerage of France, and are no longer part of the House of Peers. (The second article of this Decree

excludes all those who never sat in result in his permanent retirement the "pretended Chamber of Peers.") from the game. There were few Given at Thuilleries, etc. LOUIS. By the King,

CASTLEREAGH. His Royal Highness, Paris, July 24th, 1815.

FIFTY YEARS AGO.

BEFORE THE JURY (Testimony in Wreck Inquest)
Mr. ALMON PLUMB-Reside in Trumbull, about 5 miles from Bridgeport; was on this side of the colli sion on the track; did not see the collision in consequence of the curve; was distant 15 rods; the locomotive passed me after it had stopped at whistling post where it had been for en minutes; saw all the men get off and examine; they told me she was street, got the end of his right thumb working to a charm that day; that smashed this foreneon while at working working to a charm that day; that the day before the machinery was warm. I went along before the en-sine started; she passed me; heard a distant whistle of down train when ten rods ahead of engine Fairfield, which was standing still at the time; looked back and saw men getting on hastily, I thought to back down. She then came past me and collided. Railroad Co. was chartered and collided. don't think the engine was going like anything the usual rate of speed.

30 years ago the Bridgeport Horse Railroad Co. was chartered and among the original stockholders were Nathaniel Wheeler. P. T. Raynum anything the usual rate of speed.

I made no signal to this engine; was surprised they were not backing down; made no signal for they could not hear me; the engine Fairfield not hear me; the engine Fairfield ers equally as well known. For many was not blowing off steam at the years the road extended only from time that down train was whistling, the present barn on Barnum avenue don't think they heard the whistle, in East Bridgeport to Clinton avenue but at the time supposed they heard on the West and to Seaside park on and made up my mind they knew the South. what they were about; that perhaps the down train was a train loading loss and they knew of her being there.

At the time the fare was six street. At the time the fare was six

When they got on engine they gave a short whistle, as they were about a few years they were hauled off and then came the factory, she had no flag and heard the crash of the collision. on; heard the crash of the collision. I noticed the engine particularly because of no flag being on the past I noticed the engine particularly because of no flag being on the passes train; thought it was strange; think it was 20 or 25 minutes after the passenger train passed up that Pairield came along; think the train had time to go to Stepney. We always think they are safe to cross the track when regular train passes without a flag. We sometimes wait at was closed up by 11 p. m. out a flag. We sometimes wait at was closed up by 11 p. m.

ownssings some time for train to pass In the winter of 1873-4 but three then if we red flag is on think our-cars were run, and at that time the selves safe to go across; not seeing company thought seriously of tearing a red flag on the passenger train had up the track and abandoning their no idea there would be any train af-

ter her, and so I thought myself.

DAVID SEARS—Reside in Trumbull; when I was coming down, driving at the side of the track, saw passenger train go up about one and of an improved pattern were purchasone half miles above the paper mill, ed. When the first trip out Fairfield one half infles above the paper fam.

I crossed the track at Fairchid's; I heard a whistle from some train coming back; passed me where the wood is piled; the train was long, there

"Come out quick, and see the pretty being two trains together. A few little boxes we have got to ride in!"
seconds before this I heard a whistle blow; don't think it could have been beard on the train—should think it was down to the factory—soon after heard the noise of the Fairfield and as the smoke; first thought, on seeing her approach, that she was coming to hitch onto the train, but soon saw men jumping, then knew it was an accident. I was about 10 rods from the crossing and 30 feet from the cars—the down train was backing and bought the road. Bridgeport was then promised great things in

10 or 12 miles an hour.

I think I saw the locomotive about the way of street railway service, but 10 rods off before she struck; the for some reason the promises failed whistle I heard from the single en- to materialize and then Charles A.
